Kumiai commences court proceedings in Australia in relation to a third party pyroxasulfone product

Kumiai Chemical Industry Co., Ltd is one of the world's leading agrochemical companies with over 70 years' experience in manufacturing herbicide products.

Kumiai manufactures Sakura® 850 WG pyroxasulfone herbicide which has been trusted by Australian farmers for years. Kumiai has a global patent portfolio which includes Australian patents relating to pyroxasulfone herbicide.

On 26 April 2024, Kumiai commenced patent infringement proceedings against ADAMA Australia Pty Limited in relation to its distribution and sale of the Novali® 850 WG pyroxasulfone product in Australia.

Kumiai regards intellectual property rights to be of critical importance to the agrochemical industry, and we are committed to enforcing our intellectual property rights, both in Australia and around the world.
